## About Atlantis Technical Solutions

Atlantis Technical Solutions (ATS) is a full-service environmental, industrial, and construction consulting, training, and engineering firm based in New Orleans, Louisiana. ATS specializes in turnkey technical solutions and environmental compliance. We have certification as a Minority Business Enterprise (MBE), Small Business Enterprise (SBE), and Women Business Enterprise (WBE).

ATS's experienced team of engineers, environmental scientists, and construction managers are the key to our success. Our knowledge and experience allow us execute cost-effective and innovative solutions for any project. Streamlining system operation improves environmental compliance, system reliability and professional accountability while minimizing expenses. Our staff is the key to our success; you will find them professional, knowledgeable and genuinely interested in your company's success.
